**Glenfiddich 21 YO Gran Reserva**  
*EMBRACE THE OCCASION*

Gran Reserva adds an indulgent finishing touch to any moment, transforming uncommon into unequalled. Patiently mellowed for 21 years in Scotland, it starts quiet, restrained but rich with a defiant Glenfiddich Distillery DNA. Only when it has reached perfection does it get its time to shine. Finished in Caribbean reserva rum casks to add sharp ginger, sultry fig and uplifting lime notes that build to a crescendo of sweet toffee and spicy exotic warmth. A harmony of whisky tradition and whisky rebellion. It is a single malt to be raised in celebration. Bask in the moment more. Embrace every occasion.

**Tasting Note**

Glenfiddich Gran Reserva has intensely sweet vanilla and floral banana notes that float under the nose; those are joined by hints of pepper, ginger and sultry fig; the tasting experience finishes with sweet toffee notes.

Fusing the finest flavours from Scotland and France for a true taste of shared luxury.

**Glenfiddich 26 YO Grande Couronne**  
*CROWN THE OCCASION*

Grande Couronne is the epitome of true opulence, uncorked at only the most majestic and meaningful of gatherings. Its very name, meaning crown in French, is the promise of the pleasure to come. The pinnacle of the night's revelry. After 26 years at The Glenfiddich Distillery, it is refined and elegant. But its crowning glory awaits. An extended finish in rare French cognac casks adds extra lavish layers of sweet toasted oak and velvety aromas of café crème, brown sugar and soft spice. This is single malt ascended. Crown the occasion

**Tasting Note**

Grande Couronne 26 year old is an incredibly opulent dram, rich and regal with sweet warm flavour notes, such as café crème, brown sugar and spice. A delicate French patisserie in the glass.
