THE CAPITAL BAR

The Capital Bar pays tribute to Pretoria, its architecture & the blooming of the Jacarandas in October

Founded in 1855 by Marthinus Pretorius, our lovely city was built next to the Apies River. The drawings on our walls pay tribute to some of Pretoria's most iconic buildings. This was built on the shoulders of proud Pretorianers who steadfastly call this the best city in the world

Feel free to watch our mixologists with over three decades of experience make the city's best cocktails or sip away on some whisky from our whisky library
